

*This luxurious minimalist Board Game Room is centered around a large rectangular black oak gaming table with a felt inlay, surrounded by eight slim-profile leather chairs with metal legs, evenly spaced on all sides. On one side of the room, a low walnut sideboard runs parallel to the table, topped with a sculptural brass task lamp, a leather dice tray, and two organized acrylic storage boxes for game pieces, while a sleek glass-fronted bar cart with metal frame stands next to it, stocked with crystal decanters and tumblers. Opposite the table, a long, low modular fabric sofa in a neutral tone faces the gaming area, accompanied by two matching cube-shaped ottomans, a minimalist metal-framed coffee table with a smoked-glass top in front of the sofa, and a tall, narrow floor lamp with a slender black stem positioned at one end of the seating. In the far corner, a compact reading nook holds a high-back lounge chair in dark velvet, a small round marble-topped side table beside it, and a slim open shelving unit nearby displaying stacked board game boxes and a few decorative storage bins, with a freestanding coat stand placed discreetly next to the shelf for players' jackets.*

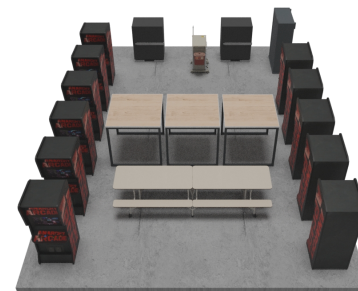

*Create a classic pool room with a professional billiard table in the center, cue rack on the wall, and comfortable seating area.*

*This traditional Music Room is centered around a polished dark-mahogany upright piano placed against the main focal side, with a matching upholstered piano bench neatly aligned in front of it. To the left of the piano sits a high-backed, tufted leather armchair in deep brown, paired with a small round wooden side table that holds a classic brass table lamp with a cream pleated shade. On the opposite side, a solid wood music stand with carved details is positioned facing the center of the room, flanked by a black metal guitar stand holding an acoustic guitar and a padded cello stand supporting a full-size cello. Near the back, a low, rectangular wooden storage chest with brass handles is organized with neatly stacked sheet music folders on top, while a compact wooden bookshelf with three shelves stands beside it, displaying music books and a few decorative metronomes. Completing the layout, a traditional wooden metronome and a pair of closed-back studio headphones rest on top of the piano, carefully placed to maintain an orderly and uncluttered appearance.*

*I want a modern minimalist livingroom with a sleek sofa, lounge chair, and plenty of storage.*

*This bright, energetic Arcade Room is arranged with two long rows of six slim black arcade cabinets each, their matte finishes and minimalist control panels facing inward toward a central circulation path. At the far end, a low white media console holds a large flat-screen display flanked by two compact floor-standing speakers and a small black subwoofer tucked beside it, creating a casual viewing zone. In the center, three square light-wood café tables with thin metal legs are evenly spaced, each paired with two simple white plastic stools, while a long, narrow bench with a grey upholstered seat runs behind them for extra seating. Near one corner, a sleek black change machine stands next to a tall, open metal shelving unit stocked with neatly arranged plastic storage bins, and a small rolling utility cart with a minimalist metal frame is positioned beside it for easy movement of accessories and supplies.*

*Create an L-shaped master bedroom with a sleeping area featuring a king-sized bed against the main wall, and a small reading nook in the extension with a comfortable armchair and floor lamp.*
